CROWN PRINCE AKIHITO SCHOLARSHIP

GENERAL INFORMATION (American Applicant) 2010-2011

It is the purpose of this Scholarship to promote understanding and friendly relations between the peoples of the United States and Japan.

An award recipient must act in the dual capacity of a student in learning and as an unofficial “American Ambassador of Good Will.” In this respect, an awardee is expected to maintain high standards of achievement while serving as a bridge of understanding and friendship between the peoples of the United States and Japan.

QUALIFICATION: Selection of a candidate for the Crown Prince Akihito Scholarship is to be based solely on qualifications, without respect to economic status, race or religion, and shall be limited to those who are currently post graduate students at the University of Hawaii at Manoa (UHM). Applicants must, however, return for the completion of their post graduate degree at UHM. Moreover, there shall be no limit as to age, and applicant may be married or single, but must be an American citizen. Japanese language is not a requirement if applicant can show that courses of study can be done in English. A full explanation is required in the applicant’s study plan.

FIELDS OF STUDY: A scholarship may be awarded for study from any graduate field at UHM, including the professional schools. The subject area of study should lead to better understanding and friendship between the peoples of Japan and the United States.

SCHOLARSHIP AWARD: The scholarship recipient has the option of a one-year or two-year scholarship. The second year of the two-year scholarship will depend on the recipient meeting satisfactory academic and personal conduct standards (see Revocation of Awards paragraph below).

The amount of the scholarship shall be \$30,000 per year paid in three equal installments throughout the scholarship year. In addition to the scholarship award, a \$15,000 annual allowance will cover tuition fees and one-time round-trip airfare from Honolulu to Japan. Any amount of this \$15,000 allocation remaining after tuition and airfare reimbursements have been made will be paid out to the recipient as a Cost of Living Allowance.

One scholarship is available for academic years **2010-2011** and **2011-2012**. The Crown Prince Akihito Scholarship Foundation Board of Trustees will make the final selection of the scholarship recipient.

During the year of study under this Scholarship, an awardee may not accept any gainful employment or any other scholarships without the prior approval of the Crown Prince Akihito Scholarship Foundation.

THE APPLICANT

In order to serve as an effective bridge of friendship and understanding between the peoples of the United States and Japan, he/she must have a friendly outgoing personality, a sympathetic interest in the attitudes and way of life of the people of a different culture, and the ability to communicate his/her ideas readily and effectively. APPLICANT'S CERTIFICATION: An applicant must read carefully the "applicant certification" on the application form and sign the certification to indicate his/her understanding and acceptance of the responsibilities and obligations of the award and the conditions under which the scholarship may be revoked.

MEDICAL CERTIFICATE: A medical certificate prepared by a licensed physician must be attached to his/her application. The purpose of the medical certificate is to ensure that there will be no foreseen medical problems that may preclude the applicant from completing his/her study abroad.

Reports are mandatory and are used to evaluate the scholarship recipient's year of study. Additionally, for those who have applied for the two-year scholarship, the first year report will help determine whether or not the scholarship will be renewed for the second year. Failure to submit a report may be grounds to deny the second year of scholarship or in the extreme, revocation of the title as Crown Prince Akihito Scholar. The second year report will help to evaluate the success of the scholarship recipient as well as the overall scholarship program.
