ANNUAL JASH FRIENDSHIP GOLF CLASSIC

The **34th Annual Friendship Golf Classic** will be returning to Mid-Pacific Country Club and is scheduled for **Monday, June 24, 2024**. This fundraising event will once again bring our local business community, local dignitaries and individual supporters together to benefit the **Japan-America Society of Hawaii (JASH)** and our many programs that promote cultural exchange between Hawaii and Japan. We are grateful for the unwavering generosity of our tournament sponsors, volunteers and donors whose support and dedication to our mission has resulted in the continuation and success of this tournament. As a result of the funds raised through this event, it has allowed us to continue our programs statewide, including our educational programs where students develop skills needed to become global citizens of an ever-changing world.

JASH is a non-profit, non-partisan, 501(c)(3) tax-exempt organization with the mission of promoting understanding and friendship between the people of Japan and the United States. We are the only Japan-related organization in Hawaii that deeply reaches young people from elementary through university age and into professional life in a continuous, comprehensive way. JASH is dedicated to promoting and preserving one of the most important relationships in the Asia-Pacific region, that of the United States and Japan, through the unique perspective of Hawaii.
